Mayfest 2010 Features “Green” Gallery

Tulsa, OK., February 22, 2010 – This year Tulsa International Mayfest will feature recycled art in its first-ever “Green” Gallery. This is a wonderful opportunity to see what can be done with repurposed, recycled and reused materials in a powerful visual and creative context. We are looking forward to showcasing the work of Tulsa’s local artists and local materials.

The show will hang during Mayfest, from Thursday May 13th through Sunday May 16th in the lobby of the Park Centre Building, 525 S. Main, courtesy of Kanbar Properties. Gallery hours will be 11 am – 6 pm on Thursday, Friday, and Saturday, and 11 am – 3 pm on Sunday. There will be an opening reception on Thursday May 13th from 5-7 pm that is free and open to the public.

The gallery will be staffed by volunteers from Sustainable Tulsa and other area "green" groups. They will be on hand to answer any questions about recycling and the reuse of common materials, sustainability, and other ways that the public can get involved.
